

**6A**

2009 has just flown by so quickly. We have been having a great time and can't understand where the time has gone.

This term we are going to be involved in Multi-fest and are all getting very excited about it.

We are going to be doing units of work in:

- English: An author study, plus continuing to develop our spelling, reading and comprehension skills
- Maths: Completing our Go Maths for the year plus working on our problem solving skills.
- Science: Looking at and experimenting with various packaging materials
- Visual Arts: Investigating picture books and advertising
- Multi-Media: Designing an advertisement using techniques learned in visual literacy

It will be a great term and there will be lots of hard work involved and the class are up to the challenge.

Have a great term.
