Dear Parents

All students (except Prep students) of Sunnybank Hills State School are placed in either religious instruction or other instruction in accordance with written information provided on their Application for Student Enrolment unless parents have provided other instructions. The local religious community has offered a 30 minute Religious instruction lesson to our students.

The majority of our students opt for the classes that are provided by the Anglican, Uniting, Baptist and Catholic Churches. These churches provide a broad based non-denominational ecumenical program based on Christian teachings and beliefs. During these Ecumenical Religious Instruction lessons the children remain in their class and the instructor comes to teach the whole class. The instructions revolve around the program “Religion in Life” which is written by the Council for Christian Education in Schools.

Students of the Buddhist Community undertake separate religious instructions taken by members of their faith. Students are withdrawn from their classes for these lessons.

Please be aware that all teachers of Religious Instruction are approved by their churches. They also must have Blue Cards.

The Education Act (2006) requires schools to gain permission for students to attend religious instruction lessons. Students who are not participating in Religious Instruction are supervised in a separate location and provided with other instruction which relates to work which has already been covered in class and may include, but is not limited to, wider reading, personal research or revision work.

Please complete the following form to enable your child to attend Religious Instruction lessons.

Many thanks

Geoff Mill, Principal

- use by the media in relation to the Individual's participation in school activities or community events, including, for example, dramatic or musical performances, sporting activities and award ceremonies; and
- any other activities identified in the Particulars section of this Consent Form.

## 7. DURATION

If the Department, the State or another person permitted by them is using the Individual's personal information or Individual work, or has entered into contractual obligations in relation to the Department's material that incorporates the Individual's personal information or Individual work, the consent will continue in relation to that material until the use is complete or until the contractual obligations come to an end. It is not possible for the Signatory or the Individual to withdraw the Individual's personal information or Individual work or revoke this consent in relation to such existing uses of that material.
If you do wish to revoke or modify this consent in relation to any further new uses of the Individual’s personal information or Individual work, the Individual or the Signatory should send a notice in writing to the person nominated in Section 9 of this Consent Form. After that notice is received, the Department and the State will be able to continue the existing uses, but will not be able to make any further new use of the Individual’s personal information or Individual work.

The Signatory acknowledges that where material is uploaded to a Social Media website or other website:

- the use and contractual obligations may be perpetual and irrevocable; and
- it may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State will not be responsible for doing so.

8. DEFINITIONS

- ‘Use’ includes:
  - to create, make copies of, reproduce, modify, adapt or retain in any form, including by camera, video, digital recorder, webcam, mobile phone or any other device; and
  - to distribute, publish or communicate in any form, including in newsletters and other print media, television and the internet and Social Media websites, in whole or in part, and to permit other persons to do so.

- The Department or the State will not pay the Signatory or the Individual for giving this consent or for the use of the Individual’s personal information or Individual work.

- This Consent Form revokes and replaces all previous consent forms in relation to the use of the Individual’s personal information or Individual work.

- This Consent Form is a legally binding and enforceable agreement between the Signatory and the Department or the State.

- Nothing in this Consent Form limits the rights that the Department or the State reserve in relation to the use of the Individual’s personal information, Individual work or other intellectual property under any other law.

- The ‘Department’ and the ‘State’ include the officers and employees of the Department and the State engaged in performing services for the Department and the State.

- ‘Social Media Website’ includes any website operated by a third party which facilitates the uploading and sharing of user generated content, including social and professional networking websites, web forums, blogs and wikis.

- This consent extends to the Department and the State:
  - disclosing the Individual’s personal information and Individual work to the Department’s and the State’s agents, contractors and volunteers for the purpose of performing services for the Department and the State; and
  - permitting those persons to use, record and disclose such material to the same extent as the Department and the State are entitled to deal with the Individual’s personal information and Individual work.

9. NOTE

The Department will use its best endeavours to ensure the person signing this Consent Form is authorised to do so, but takes no responsibility for circumstances in which it is misled as to the identity or authority or ability of a person to provide consent.

If you require a copy of this signed Consent Form, or if you wish to revoke this consent, please contact the Principal of the school at which the Individual is enrolled or works or send a request in writing to the District Office.

10. INFORMATION

What is this consent for?

This Consent Form authorises the Department and the State to use the Individual’s personal information and copyright material, together with information about the Individual’s participation in Departmental and State initiatives, for any use by the Department and the State associated with the purposes identified in Section 6 of this Consent Form. The consent covers the entire or partial use of the Individual’s personal information and copyright material in conjunction with other words and images.

For example, the Individual’s personal information and copyright material may appear in school newsletters, magazines, websites (including Social Media Websites) and other school, departmental or State publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates and strategic plans, and posters and other promotional material. There may also be occasions on which the Department may approve the media, such as local newspapers and television stations, using information and copyright material in relation to the Individual (for example, where the Individual is involved in dramatic or musical performances, sporting activities or award ceremonies).

Websites

Individuals and Signatories should be aware that publication of an Individual’s personal information and Individual work on Social Media Websites is similar to publication in newsletters, magazines, brochures, etc; however publication on Social Media Websites is publication of that material to the world at large.

Individuals and Signatories should be aware that the publication of an Individual’s personal information and Individual work, by the Department or the State, on a Social Media Website typically constitutes a permanent and publicly available record of that material. This means that anyone may be able to copy and use an Individual’s personal information and Individual work that has been published on a Social Media Website for any purpose and without the consent or knowledge of the Department, the State or the Individual. Individuals or Signatories should not grant their consent to the Department or the State to use an Individual’s personal information or Individual work in connection with a Social Media Website if the Individual or Signatory does not agree to the material being permanently available to the public.

If an Individual’s personal information or Individual work is published on a Social Media Website, that material will be governed by the privacy policy and terms of use of the relevant Social Media Website. The Department or State cannot reasonably control how an Individual’s personal information or Individual work is used by third parties once the material has been published on a Social Media Website.

Queensland Government

State School Consent Form
to use, record or disclose copyright material, image, recording, name or personal information

What is copyright material?

An individual’s copyright material may include written work (e.g. stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal- or wood-works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer the individual’s ownership of the intellectual property in their copyright material.

This Consent Form does not provide for copyright consent in relation to copyright works an individual creates in the course of employment (whether or not the material is created in normal work hours or using departmental facilities or equipment). Where copyright material is created by a State employee while performing their duties under the terms of their employment, the copyright is owned by the State as the employer (section 35 Copyright Act 1968). There are limited exceptions to this including, for example, where the copyright material is created by an employee pursuant to a prior agreement with the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 176 of the Copyright Act 1968 applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The Queensland Public Sector Intellectual Property Principles provide further information on intellectual property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal and Administrative Law Branch.

What is personal information?

Personal information includes information or opinions, whether true or not, about an individual whose identity is apparent or can reasonably be ascertained from the information or opinion. This includes the individual’s name, image or video or sound recording. It also includes the individual’s educational information such as the individual’s assessment and results, and health information and court orders provided to the Department, where such information may enable the individual to be identified.

What happens to the Consent Form once it is completed and signed?

The Consent Form is retained by the Department and it will be placed on the individual’s file and/or the project file. The individual or signatory may request a copy of the signed form by contacting the Principal of the school.

What if I give my consent and later change my mind?

This consent will be in effect from the date the Consent Form is signed. The Department and the State will then start using the individual’s personal information and individual work to create material incorporating the individual’s personal information and individual work and entering into contractual obligations in relation to that material.

If you wish to later modify or revoke this consent, the individual or the signatory should send a notice in writing to the person nominated in section 2 of this Consent Form. After that notice is received, the Department and the State will not make any new additional use of the individual work, but any existing uses will continue.

Where the Department or another person uploads material to a Social Media Website or other website, it may need to accept contractual obligations that are perpetual and irrevocable. It may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State cannot take responsibility for doing so.

Privacy

The consent to the recording, use and disclosure of the individual’s personal information and individual work is required in accordance with the Copyright Act 1968 (Cth), the Education (General Provisions) Act 2006 and the Information Privacy Act 2009. Personal information will be stored securely. The Department will only disclose the individual’s personal information in accordance with your consent, except where authorised or required by law. If you wish to access or correct any of the personal information on this form or discuss how it has been dealt with, or if you have a concern or complaint about the way the individual’s personal information has been collected, used, stored or disclosed, please contact the school.

In case you have the most current version of this document.
